Assembly Show Types

SCHOOL FLATLAND SHOW \$797.00

This show is a school favorite. It can be performed 12 months a year in a gym or outside. Hang Glider, Roloids, Rope-A-Ronies and Whoppers are stunts you'll see as our riders command the audience's attention with their one of a kind uniquely named tricks during our Flatland Show. Also, during this show the small 19.5" launch ramp is used all throughout the assembly to add more excitement and arial stunts.

SCHOOL RAMP SHOW \$1297.00

This spectacular show will be a highlight at your school assembly with jaw dropping tricks and non-stop action that will keep your spectators riveted. The 5' x 8' x 24' box jump ramp will allow our riders to perform stunts such a, 360's, superwhips, backflips and bikeflips as they fly 15 ft. in the air. In between the Ramp Rider's run you will also get to see the technical and artistic Flatland Riding. The two different types of riding are paired together for an all around amazing assembly.
